

Brian Gomez and Harry Panson of Chester County, PA, are competing in the 2010 One Lap of America to help support the Chester County SPCA by collecting contributions. Your \$10 contribution will place your customized dog bone on the car for the event. Proceeds go directly to the CCSPCA. Brian and Harry will seek matching donations from businesses in the area to help maximize your contribution.

Brian and Harry are collecting contributions that will benefit the Chester County SPCA in West Chester where Brian adopted his first Dog, Rufus in 1999. Since then, Brian has adopted several dogs from area shelters including his current dog, Lucy. Your contribution will help Brian and Harry raise awareness for the SPCA with all of the proceeds going to the CCSPCA. They will continue to make quarterly contributions as additional contributions are received. Brian and Harry will be donating their time, all travel expenses, and all maintenance/preparation of the vehicle. A portion of your contribution goes toward the graphics on the car and entry into the event. They are regular citizens trying to contribute to a worthwhile cause.

Please mail this form with your contribution to Brian Gomez, 306 Andrew Circle, Coatesville, PA 19320. Checks can be made directly to the CCSPCA
